DiveBuddy.com & Scuba Divers Help Toys For Tots

Category: Press Release

Posted on 10/17/2008 11:53:50 AM.

Scuba divers help save the oceans and protect sharks, now we're also helping our children. This year, members of DiveBuddy.com and scuba divers from around the world will participate in a one day event on November 15th to raise toys for the Toys For Tots foundation, a non-profit organization managed by the U.S. Marine Corps.

A day of diving OR a simple meet & greet will be organized by local event planners in many different locations around the world. Toys will be collected and donated to the nearest Toys For Tots drop-off center ([www.toysfortots.org](http://www.toysfortots.org)).

If you're interested in planning an event in your area or becoming a corporate sponsor...visit:  
<http://www.divebuddy.com>

This event is the first of its kind for scuba divers. If all goes well, we will hold this event every year.

If you can not attend an event OR there isn't one in your area, please mail a new, un-opened toy to the following address (include your DiveBuddy screen name with the toy):

P.O. Box 150

Lets make the holidays special for a few 1000 children this year!

Sincerely,

Greg Davis
