

## PADI Rescue Diver

### PADI Rescue Diver - Tuition \$275

The PADI Rescue Diver delves into the serious subject of accident prevention. It extends beyond just you and your buddy, focusing on how to make diving safer for everybody involved as you learn to recognize and prevent potential diving accidents and how to handle situations as they occur. This is hands on training that requires physical effort while training with subjects in panic situations and rescue swims. (Simulated panic situations) Cost of PADI Rescue Crew pack \$49.
